

The European XFEL Users' Meeting is an annual opportunity to strengthen the interaction between the European XFEL project and the scientific user community. The scope of this meeting includes:

- Progress and current status of the European XFEL
- Results of 2011 Conceptional Design Reviews
- Selected science applications
- Current developments in the field of XFEL facilities
- Job opportunities at European XFEL

Registration: [www.xfel.eu/2012-users-meeting](http://www.xfel.eu/2012-users-meeting)

## Programme

### 25 January 2012

Plenary sessions with project status and workshop reports

Science session with special topic:  
*Applications of FELs towards Structural Biology*

### 26 January 2011

Joint session with HASYLAB Users' Meeting:  
*Soft X-ray FEL / FLASH experiments*

### 27 January 2011

Poster session

## Bursaries for young scientists

We are able to offer a financial contribution, depending on distance, towards travel and living expenses to a limited number of young scientists.

Eligible are all science graduate students or recent PhDs (doctorate granted after 1 January 2010).

To apply, send a request to [secretaries@xfel.eu](mailto:secretaries@xfel.eu) before **6 January 2012**, with a CV including the topic, the name of the thesis advisor, and university of your PhD work, as well as the date you received your doctorate (or the expected date, if you did not complete it yet).

## Organizing committee:

*European XFEL:* Massimo Altarelli, Christian Bressler, Imke Gembalies, Anders Madsen, Adrian Mancuso, Michael Meyer, Serguei Molodtsov, Andreas Schwarz, Thomas Tschentscher  
*DESY:* Wiebke Laasch, Edgar Weckert
